### Twenty-Five-Mile Walk to Hear Trial.

WINCHESTER, March 15.—So anxious was W. E. McKeever, a farmer, of Hampshire County, Va., to be present when the trial of C. M. Cockburn, administrator of B. S. Farmer, deceased, was called for trial in the city court here that he walked twenty-five miles from his home in the mountains to the city. He was exhausted when he reached the city in the morning and he was not able to attend the trial. He was, however, able to see the trial from a distance of about twenty-five miles. Most of the route lay through the mountains. Mr. McKeever was accompanied by a friend who was also walking to the city. They were both very tired when they reached the city. The trial was held in the afternoon and Mr. McKeever was able to see it. He was very happy to see the trial and he was very satisfied with the result. He was very grateful to the court and the jury for their decision. He was very happy to see the trial and he was very satisfied with the result. ### Pain Train Accident.

BRISTOL, March 15.—Hudson Melvin, aged 19, was struck and instantly killed by the south-bound Memphis Special near the Baryes plant, three miles north of here, when he was crossing a trestle on his way home when struck. He was the daughter of Mr. and Mrs. John Melvin, of near Bristol. The engineer stated that it was impossible to stop the train in time to prevent the tragedy.

### To Florida for Health.

WINCHESTER, March 15.—The Rev. John Lloyd, pastor of the Baptist Church here, is leaving for Florida for his health. He has been troubled with a throat affection ever since he was married. He is now in the hospital at the University of Florida, where he is receiving treatment. He is expected to return to his home in Winchester in a few weeks.

### Wedding in Loudoun.

WINCHESTER, March 15.—Thomas Stanley Green, of Ashburn, Va., and Miss Helen Catherine Eyster, daughter of Mr. and Mrs. John G. Eyster, of Loudoun County, were married Saturday at the residence of the bride's parents.

### Saves Family and Then Dies.

LYNCHBURG, March 15.—Mrs. Sallie Beck Turner, 61 years of age, wife of S. P. Turner, of Paducah, Miss., was killed Sunday morning at 1:30 o'clock by the rear of a train, which was passing the residence of the family. Mrs. Turner was on her way home when struck. She was the daughter of Mr. and Mrs. John Melvin, of near Bristol. The engineer stated that it was impossible to stop the train in time to prevent the tragedy.

### Is Victim of Pneumonia.

## BUSINESS OF POST-OFFICE HAS PHENOMENAL GROWTH

### Postmaster Thornton Compares Current Figures With Those of Half-Century Ago.

During the past year the Richmond Post-Office handled 55,000,000 first-class letters, as compared with 1,775,272 fifty years ago. Postmaster Hay T. Thornton told the Richmond Kiwanis Club yesterday in an address at the Business Men's Club. Revenues at the post-office also increased from \$50,500 in 1865 to \$2,500,000.

Practically the entire Kiwanis Club turned out to the meeting yesterday. Mr. Thornton's address was based on a comparison between the growth of the postmaster fifty years ago, as recorded by The Times-Dispatch in its "Fifty Years Ago" column, and its present-day record.

Registered letters received at the Richmond post-office last year numbered 6,567, while last year the number delivered here totaled over 200,000. Mr. Thornton said that the number of registered letters mailed from Richmond at that time totaled 2,000, or approximately six a day. Mr. Thornton said the Kiwanis Club, during the past year 10,000 registered letters were mailed from Richmond, or an average of about 600 a day.

### Money Orders Show Spurt.

Drawing a comparison between the money orders issued fifty years ago and last year, Postmaster Thornton stated that the increase totaled several hundred per cent. The number of post-office money orders sold in 1919 totaled 27,000, while in 1865 the number was 100. The increase in the number of money orders sold in 1919 was 26,900, or 269 times as many as in 1865.

Second-class matter, he stated, had increased accordingly. The increase was 27,000 per cent. The number of second-class letters mailed in 1919 totaled 491,277, while in 1865 the number was 1,812. The increase in the number of second-class letters mailed in 1919 was 489,465, or 27 times as many as in 1865.

Growth of business in the insured parcels department has also been phenomenal, according to Postmaster Thornton. There have been 18,000 of these sent during the past year as against 2,000 for 1918.

First-class mail matter for transfer to other offices, as compared with 19,500 fifty years ago.

J. N. Brandt, E. A. Borg and D. J. Donald, Jr., new members of the committee, were introduced at the meeting yesterday. The Kiwanis Club now numbers 123.

## FIFTH DISTRICT WILL NAME CANDIDATE IN CONVENTION

### Democrats Will Select Congress Standard-Bearer at Meeting in Martinsville April 22.

(Special to The Times-Dispatch.)

DANVILLE, Va., March 15.—State Senator Marshall B. Booker, of Halifax, advocate of the primary as the method of nominating a Democratic candidate for Congress from the Fifth District, to succeed Judge E. W. Southern, was tonight the guest of the meeting of the District Committee which decided unanimously in favor of a convention. This will be held at Martinsville on April 22, when the Democrats will name their man for both the unexpired and the full term. It has been the intention of Senator Booker, who has announced that he will be a candidate for the nomination, to make a vigorous fight before the committee for a primary. Colonel James, Jr., understood, favored the convention method. A bill introduced in the Senate by Senator Booker, making the primary plan compulsory for the nomination of Congressmen in all districts, failed of passage.

On the basis of representation in the convention will be one delegate for every fifty votes or fraction over twenty-five cast in the last presidential election for Woodrow Wilson.

Many Democrats were present from the city and nearby counties. It was a harmonious meeting throughout, every motion being adopted unanimously. Senator Booker was the only member of the committee who was absent.

## INCOME TAX REVENUE TOTAL IS \$800,000,000

### Must Be Used to Meet Matured Certificates—W. M. Williams to Succeed Roper.

(By Associated Press.)

WASHINGTON, March 15.—Treasury officials estimated that the first installment of income and profits taxes, due today, one-fourth of the total, would amount to about \$800,000,000. Coincidentally with the payment, Treasury certificates aggregating about \$775,000,000 matured, which must be retired with the cash collected.

Treasury officials do not expect to be able to give a complete statement of the first installment payments before Friday. On these figures will hinge the Treasury financial program for the future. All were optimistic that receipts would make good the continuation of the program outlined several months ago.

When the tax books close tonight those who failed to make payment by the first installment today or earlier, will be credited even if received after midnight. By instructions of Commissioner Roper, all internal revenue offices remained open until the last minute for receipt of taxes.

William Martin Williams, of Atlanta, will succeed Mr. Roper as collector of the Richmond office. Mr. Williams will have charge jointly with the Department of Justice prohibition enforcement.

With the retirement of Mr. Roper on April 1, Claude Callan, assistant commissioner in charge of income tax collections, will leave the bureau, and will be succeeded by Paul M. Myers, chief clerk of the Treasury Department.

Mr. Williams has been collector of the Department of Agriculture since 1917, and prior to that time practiced law in New York and Montgomery, Ala.

## GOLDEN STREAM POURS INTO AMERICA'S COFFERS

### Estimates Put Amount of Income Tax Collected in Manhattan at \$250,000,000.

(By Associated Press.)

NEW YORK, March 15.—The custom house today was turned into a temple of higher mathematics as millionaire and day laborer with brains equally wrinkled, sought to compute their Federal income taxes in the final hour of grace.

All day long great lines of men and women fought for a chance to pay their taxes to Uncle Sam, and when the midnight hour struck, William H. Edwards, collector of internal revenue for Manhattan, the financial heart of the nation, estimated that more than 400,000 returns had been made.

A golden stream poured in today from corporations which had availed themselves of the last moment allowed them. Eight millions, representing only a quarter payment, was turned in by one concern, while another acquired a certified check for \$5,000,000. Unofficial estimates put the total amount collected in Manhattan at \$250,000,000.

## FINAL RUSH BRINGS 5,000 TO FILE INCOME RETURNS

### Sum of \$2,630,000 Received by Federal Collectors Here During Last Day.

Approximately \$2,630,000 in collections was reported by internal revenue agents of this district yesterday, the last day for the filing of income returns covering earnings in 1919, it was announced by Collector R. C. L. Moncure. The total collections to date amount to \$1,000,000 or more.

Although about 2,000 people failed to pay their income tax this year, the offices have been crowded and the clerks forced to work hard. It is estimated that 5,000 persons filed their returns yesterday alone, and between 4,000 and 4,500 returns have been made since January 15.

"Last-hour" crowds forced the offices of the revenue department to be kept open last night until nearly midnight. The entire force worked all day Sunday in order to catch up with the returns sent in by mail, and the collectors have given taxpayers every opportunity to file their returns.

Forces under the Richmond office at Norfolk, Portsmouth, Petersburg, Alexandria and other cities were also retained open until midnight last night under telegraphic instructions from Collector Moncure.

Mr. Moncure said today that as far as he knows every prospective taxpayer has been given proper attention at the main office and at the service stations within the limits of his collecting district. Round-up of the income "slacker" will, therefore, bring prosecutions.

Heavy penalties have been provided for failure to pay the income tax, and also for fraudulent returns.

## TETRAZZINI PAYS MORE THAN \$100,000 INCOME TAX

### Famous Grand Opera Star Hands Over Substantial Bill to U. S. Internal Revenue Collector.

NEW YORK, March 15.—Kissing a fat roll of bills a laughing good-by, Mme. Tetrazzini, the popular opera star, passed through the "Big Bill" Edwards, internal revenue collector, today to pay her first income tax installment.

"How much income did she declare?" the collector was asked.

"That would be telling, and the law does not allow me to tell," replied "Big Bill." He admitted, however, that it was "more than \$100,000."

Mme. Tetrazzini must have had some one help her fill out the blank for she displayed no signs of having passed through a recent brainstorm.

## SCHLESWIG VOTE FAVORS GERMANY BY BIG MARGIN

### Returns From All But Four Districts Defeat Denmark by Overwhelming Majority.

(By Associated Press.)

COPENHAGEN, March 15.—The second Schleswig zone, including the important port of Flensburg, where a plebiscite was held yesterday under the provisions of the treaty of Versailles to determine the future nationality of the region, voted to remain German, according to the latest returns of the balloting.

The figures, while unofficial, show the population overwhelmingly in favor of German nationality. With four districts still to be heard from, 48,148 votes were cast for German control, and 12,925 for Denmark. A message from Tonder, on the edge of the plebiscite area, says a German mob at Horsbøl yesterday threw the local chief of the international police into the water. He has not been seen since and it was presumed he was drowned. Authorities have arrived at Horsbøl to investigate the affair.
